## INDUS RUSTIC OAK

Indus is a striking design combining saw cut oak marquetry tops with a “peppercorn” finished wire brushed oak veneered frame and a welded black powder coated metal base, giving it an on trend industrial edge. Each of the hand-crafted pattern tops are wire brushed and distressed to give a rustic look and tactile feel, making the most of the beautiful and varied grain of oak.

Choose from generously proportioned oak upholstered chairs in four velvet options or a mottled grey fabric or cantilever chairs that feature this same fabric in a bold square pattern stitch detail with a handle in the back and superior glides on the base for ease of manoeuvre. BLUM soft closing hidden drawers within the sideboard cabinets add that extra refinement to the range in what will create a stunning focal point in any dining room.

A close-up photograph of a wooden surface, likely a table top, featuring a herringbone pattern. The wood is a light to medium brown color with visible grain and knots. The pattern is created by alternating the direction of the wood grain in adjacent sections, forming a series of V-shapes.
